

College of Education, Information and Technology and NASSAU BOCES

are sponsoring

A FINGERPRINTING SERVICE

for all education students.

Take advantage of this opportunity as fingerprinting is a requirement to enter the profession.

All applicants must bring a driver's license or other form of photo ID.

By appointments only!

Online Fingerprinting Clearance

Applicants should register ahead of time on the TEACH site, <http://www.highered.nysed.gov/tcert/>. There is a fingerprinting tab at the top of the home page. Click on Applying for Fingerprints, log in or create an account. Once the credit card payment of \$91.50 is received, TEACH will provide a confirmation. This is the State's fee. Applicants need to print this payment confirmation and bring it on the day of fingerprinting. You will need this payment confirmation as well as a check of \$30 made out to Nassau BOCES in order to have your fingerprints electronically processed. Digital processing is usually completed in 72 hours.

If you do not pay the state fee of \$91.50 electronically and/or you are not in possession of the payment confirmation, you will not be fingerprinted on this day.
