Inclusion Models and Strategies for Successful Inclusion

Here on Long Island, more children are being educated in inclusive settings than ever before. Their success has been due to well planned programming and prepared professionals. This two part workshop will provide an overview of successful models, followed by a series of strategies to address curriculum modifications, in class accommodations and strategies to address challenging behavior. It will address both elementary and secondary students.

Presented By:

Diane Ripple, M.A., Education
Consultant

**CTLE credits available for this
workshop**

Dates:

Thursday, March 1, 2018 (Part 1)
Monday, March 19, 2018 (Part 2)
